The email delivered version of this newsletter has all web links removed in order to improve the chances of the newsletter reaching our intended subscribers.

We have been very pleased with delivery of the last two newsletters, May 28th and September 21st. Both of those efforts appear to have reached our audience.

We would like to welcome all the new visitors from this past year who may not have visited all sections of the site.

Our Site Search Tool continues to help visitors to dig for information on the Korean War Project.

1. Veterans Day 2012
=====

We would like to wish all our veterans, their families, and friends the very best on this Veterans Day of 2012.

A special Remembrance is offered for those who paid the ultimate price during wartime.

Many of the Korean War Project donors, visitors or their spouses have passed on during the last 18 years of our existence.

Both of us will continue to reserve a special place in our hearts for all those people we have encountered.

Consider supporting the mission of the Korean War Project by donations in the form of Membership/Sponsorship

Visit our Membership page where you may select how to help out.

On that page is a link to our PayPal account. You may choose online or regular surface mail to support our efforts.

Our Pledge Drive is an ongoing process. Many of our previous donors no longer can assist. We are recruiting from those who have not participated, so if you can, jump on in, it will be appreciated.

The site is free for all to use and those who participate help to ensure that we remain online whether the donation is \$1.00 or more!

For those persons or groups who cannot participate, we certainly understand.

Donations/Memberships are tax deductible, if you use long form IRS reports. Our EIN: 75-2695041 501(c) (3)

4. What's Been Happening?
=====

The Korean War Project has just completed two moves in one month. We had to vacate our apartment in order for the landlord to update.

While Ted was working to get out the September 21st newsletter, Hal packed up for the move on September 28th.

We just got moved back into our original location, boxes and all. Work to find everything and get back to work has been ongoing since October 28th, the move-back-in date.

This newsletter will be brief as a result of the disruption of the move.

=====
5. Casualty Database – Hometown - Gravesite
=====

One of the very first things that Hal discovered upon getting his computers hooked up on October 29th, was the addition by Ancestry.com, of Headstone Applications for cemeteries. The actual cards were scanned by Ancestry.com.

Hal is very pleased with the results. He is filling in missing units, hometowns, and burial locations for many hundreds of Korean War Casualties for our online casualty data.

This data was impossible to obtain until Ancestry.com placed it online.

Name corrections or completions are a key element of our ongoing effort to enhance the data obtained from the National Archives in 1993.

The work to correct decades of errors and omissions has been a key issue for the KWP for the past 18 years.

6. Bookstore | Film
=====

Bookstore updates will be continued with the Thanksgiving newsletter.

=====
7. Reunions
=====

Please continue to post notices to unit pages and our Reunions section of the website.

While many groups have disbanded or retired activity, others

seem to be going strong. The 60th Anniversary of the end of the war reunions or meetings need to be advertised.
