1. Memorial Day 2013  
=====

We would like to wish all our veterans, their families, and friends the very best for Memorial Day 2013 this past weekend.

A special Remembrance is offered for those who paid the ultimate price during wartime.

This day is especially significant as two important dates are approaching: June 25<sup>th</sup> marking the beginning of a bitter three year war that ended in a precarious truce on July 27<sup>th</sup> of 1953.

The 60<sup>th</sup> Anniversary of the end of the war is July 27<sup>th</sup>, 2013.

It seems like yesterday when people from all over the world descended upon Washington, DC. to attend the official dedication of the Korean War Veterans Memorial. We were fortunate to be among those who spent the week in the Capitol.

Ceremonies were held in many venues to honor the sacrifices made during the terrible three year war.

We hope that all of our readers will be able to attend national or local events on June 25<sup>th</sup> for the 63<sup>rd</sup> Anniversary of the start of the war as well as on July 27<sup>th</sup> for the 60<sup>th</sup> Anniversary of the truce.

Both of us will continue to reserve a special place in our hearts for all those people we have encountered.

3. What's Been Happening?  
=====

October/November 2012 Move:

The last time we wrote to everyone, in November, we had just moved two times in one month..

The boxing and storage of our entire work product put a severe crimp in keeping pace with inquiries and daily work.

March/April 2013 Web Server Failure:

On March 6<sup>th</sup>, 2013 our web site was attacked by thousands of foreign-based Denial of Service attacks.

The overwhelming attack was too much for our 6 year old server

Several weeks were required to dust off old skills and programs, in order to rebuild the entire system.

6. POW/MIA Casualty Accounting  
=====

There has been a steady increase of identification and funerals for men listed as Missing in Action or Not Recovered for the Korean War. It has been heartwarming to read news articles about all the repatriations.

Among those identified and returned home was Lieutenant Colonel Don Carlos Faith of the 32<sup>nd</sup> Infantry Regiment, 7<sup>th</sup> Infantry Division.

LTC Faith was posthumously awarded the Medal of Honor for his effort to lead the surviving men of the 7<sup>th</sup> Infantry Division out of the area on the eastern shores of the Chosin (Changjin) Reservoir. He was wounded during that effort. He died shortly after being wounded.

LTC Faith is emblematic of all those men who perished and were not returned. His funeral was at Arlington Cemetery in April.

Hopeful families and friends are encouraged by the news of all of these recovered soldiers, sailors, airmen and marines.

We wish to thank the Service Branch Casualty staffs, DPMO, AFDIL, and JPAC for the diligent work to "bring them home".

Many volunteers from all walks of life have assisted the Department of Defense to connect with family in order to complete this chapter of the Korean War.
